Turn Back & Game Reassignment Policy

Turn Backs:

1. Notification of turn backs must be sent via e-mail
 - a. Include:
 - i. Your Name
 - ii. Game Location/Level/Time
2. Same-day and turn backs within 24-Hours of game time also require a call/text with the same information required in the email.
3. SOONER rather than LATER.
If you suspect you are coming down with an illness please tell me at the onset rather than trying to tough it out and having to tell me hours before your game.

Please let me know of any changes in your work schedules as soon as possible.

E-mails for potential conflicts (even if they don't come to fruition) are helpful.

Reassignments:

1. All games will be reassigned on Arbiter. Please make it a habit to check daily. Please ACCEPT or DECLINE new assignments as soon as possible.
2. Keep your Arbiter schedule current. BLOCK dates that you can't work. If you are unblocked, it is assumed that you can and want to work that day. It is expected that games reassigned to you on unblocked dates will be ACCEPTED.
3. If you have a flexible schedule and want to be placed on the shortlist for emergencies (especially for EARLY games) please contact me with your availability details.
