2023 Rules Interp. as Applicable to Officials - Sara

- *No pressure on pocket when checking stick, top or bottom*
- *Goalie may walk/run back into her goal circle*
- *Defense may self-start in CSA coming out on offensive foul*
 - *Defense may not start on an attack offside due to it being a whistle restart*
 - *If they restart on a hash and false start without the whistle, then they are positioned on the 12m*
- *Defense may NOT self-start in CSA coming out on offensive foul UNDER 2 MINUTES (does not have to be 8 meters away from goal circle, unless under 2 minutes)*
- *3 seconds, ball is outside CSA, move placement up to 12 meter fan*
- *POE*
 - *Sportsmanship*
 - *Example given to coaches, we need to respond. When something like that does occur, we need to card immediately and not let them think they got away with it.*
 - *Knowledge of the rules*
 - *This was a huge deal Karen made and it is important. Really knowing and understanding the rules and the appropriate verbiage.*
 - *Dangerous use of the stick*
 - *Same thing I told the coaches*
 - *There should NOT be any contact with stick and body.*

- *With that being said, girl takes stick horizontally and extends her arms but does not completely displace her. CALL IT. Illegal use of the stick but she is doing it intentionally and it is not appropriate.*
 - *Anything in the back is defenseless and uncalled for.*
- *Job Responsibilities - CSA broken into quadrants. Wherever the ball is, you want to be in the adjacent quadrant. As the ball moves, you move. See the space between the attacker and the defender to determine who made contact first.*
- *Shooting Space*
 - *Game plan/pre-game how you will split the boundaries in term of shooting space*
- *The Draw*
 - *Positioning and MOvement of players on draw*
 - *When can players move/exchange position/substitute (RULE CHANGE)*
 - *Review rule for players to release*
 - *Illegal draw, ball goes out of bounds and touched a players stick, foul, ball crosses restraining line.*
 - *No control of ball and someone enters early, then the ball is restarted at the spot of the ball*
 - *Review rules for early entry from below RL p. 36-43*
- *Dangerous Play*
 - *Mandatory cards? Dangerous shot is NOT a mandatory card, however, if you feel a girl has just shot the ball to shoot and there wasn't much control, then it is a cardable offense.*
 - *Set the tone EARLY*
 - *When to hold, when to call, when to card! EX: Scoring play, ball carrier get hit in the head. FLAG, let play continue. If shot on goal is good, signal goal, tweet tweet, give yellow card. Restart with free position at center.*
 - *EX: ball carrier shoots and scores, then is pushed after the shot. Signal goal, card if necessary, free possession at the center.*
 - *Set tone early, but also "read the room/field" and understand the skills level of the game.*
- *Delay of Game - p. 55*
 - *1st Offense - Minor, green to team, change of possession if applicable*
 - *2nd Offense - Major, Green/Yellow card to offender, carded player must leave game for 2 minutes - No substitute durin gsuspension period (not included in team card count)*
 - *3rd and Subsequent Offense - Major, penalized as misconduct. Full yellow cards and included in the card count*
 - *1st and 2nd offenses/delay cards NOT included in team card counts*

2023 PIAA Pre-season Bulletin - Sara

- **Do not submit any red cards to a player or a coach without contacting Vince before you are home.** Then, you will discuss what talked about what happened, write out, and type out the sections from the rule book together. It must be submitted within 24 hours.
- If you have carded someone out of the game and then they are directly cussing at the official and can get an additional suspension day. Get the quote on your card of what was directed towards you, a player, anything racially motivated, or anything meant to demean the opposing player.
- Good idea to keep cards in separate pockets.
