

# YAWLOA MEETING AGENDA

April 24, 2023

8:00 PM

ZOOM

## Reminders:

- 2023 PIAA Convention
  - 08/04 - 08/05
  - \$100 through 07/14; Groups of 5 or more: \$90
  - 5 year credit for inter-district playoff eligibility
  - Register [HERE](#)

## Assigning:

- Keep Arbiter UTD
- Email Vince for changes to the forms you submitted for youth. All Youth has been assigned except for May 20. *Vince is still in need of anyone for May 20. 2 tournaments are running simultaneously (Lumberjax and Rising Stars).*

## YAGLA (Youth)

- K-2 Revision
  - All players must stay out of the goal circle until the referee instructs a player to go get a ball that has come to rest in the circle, but has not crossed the goal line.
- Pass Rule Revisions & Clarifications
  - Goalie clears **DO NOT** count as a pass for the YELLOW division.
  - Goalie/deputy clears **DO** count as a pass for the GREEN & K-2 divisions
  - A team's pass count will only reset if the ball crosses back to their defensive side of the field. (Not a gotcha call)
  - A team is free to make pass attempts anywhere on the field
  - SUBSEQUENT TURNOVERS: If subsequent turnovers occur without the ball crossing midfield, a team's previously established pass count will RESUME.
    - EXAMPLE: The White team has met their required number of passes. White #3 drops the ball and it is picked up by Black #9. Black #9 attempts to pass the ball to a teammate but it is intercepted by White #33. The ball has NOT crossed mid-field. White is free to go to goal.

## Rules Interpretation - Sara

- Final Interpretation: Rule 12.6.1 A - The bulletin is wrong. Administer the foul as written in the NFHS rule book (a second player should be pulled for the second card and both cards will be administered simultaneously for two minutes.) A retraction to the interpretation published in the last two bulletins will not be made. *Karen Blaine replied with the interpretation that the cards were originally back to back but when questioned it our interpretation was the correct interpretation. Refer to this rule and the cards are given simultaneously. In NCAA they do stack them. That is a part of the confusion. See page 72.*
- **Goalies get carded too.** If there is a 2nd dressed goalie, the carded goalie is sent to the box, along with another field player selected by the coach. The replacement goalie is placed behind the 8m or dot FP depending on where the foul occurred. If there is no other dressed goalie, the coach will select a field player to serve the card but the goalie may remain in the game. Goalie is placed behind the 8m or dot FP depending on where the foul occurred.

## Questions, Comments, Concerns

*(Notes are italicized above in sections of the agenda.*

*Joanne shared a situation where a person on the 8m was fouled and substituted. Was not injured and could not substitute.*

*Dave shared that a coach attempted to use someone behind the restraining line. Foul was on black #20 and she rolled her ankle during the foul. The trainer comes on and the coach attempts to use someone else behind the restraining line to go behind. The substitute must be the one who goes behind, involved in the restart (e.g. #20 substitute).*

*Dave motioned to adjourn and Mustafa seconded. The meeting adjourned at 8:21 a.m.*
